

installations - Feature #2639

Add new right "assigned installation"

02/07/2011 04:55 PM - doum

Status:	New	Start date:	02/07/2011
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
<p>Currently, a technician can either see all the installations, or none. It would be interesting to have 2 different rights "assigned installation" and "all installations" to show only installation assigned to technician, or those in which he has an assigned task.</p>
