Description

<http://www.glpi-project.org/forum/viewtopic.php?id=34430>

Même si le problème semble dater, c'est assez perturbant d'avoir un contain d'un côté et une dropdown au moment de tester.
Ne pourrait-on pas harmaoniser la saisi des critères et la f\$enetre de test ?

History

#1 - 12/01/2013 01:36 PM - moyo

- Target version set to Candidate for next major version

#2 - 12/07/2013 06:38 PM - ddurieux

We can propose a list of an input field each time (because can have contain of an input or a list)

#3 - 12/10/2013 09:25 PM - jmd

why not
