

GLPI-PROJECT - Bug #4951

Missing searchtype in hook _addwhere for plugins

06/05/2014 01:03 AM - ddurieux

Status:	Closed	Start date:	06/05/2014
Priority:	Normal	Due date:	
Assignee:	ddurieux	% Done:	100%
Category:	Search Engine	Estimated time:	0.00 hour
Target version:	0.84.6		

Description

See <https://mail.gna.org/public/glpi-dev/2014-05/msg00043.html>

- in 0.84, fix it with add hook _addSpecificWhere to keep compatibility with plugins
- in 0.85, add only argument \$searchtype to _addwhere call

Associated revisions

Revision 22992 - 06/05/2014 01:07 AM - ddurieux

Add code to have searchtype in _addwhere hook for plugins by adding new hook _addSpecificWhere. references #4951

Revision 22993 - 06/05/2014 01:11 AM - ddurieux

Add argument searchtype to _addWhere hook for plugins. references #4951
