

Formcreator - Bug #5010

Error when deleting a ticket target

07/17/2014 11:21 AM - blerohellec

Status:	New	Start date:	07/17/2014
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
<p>When a ticket target is deleted (button Purge), the following error is generated "The requested URL /plugins/formcreator/front/target.php was not found on this server."</p> <p>Nevertheless, the corresponding record in table glpi_plugin_formcreator_targets is correctly deleted</p>
