

Data Injection - Feature #5035

Set "add dropdowns" option as true when injecting a dropdown

08/06/2014 08:51 AM - mtpl

Status:	New	Start date:	08/06/2014
Priority:	Normal	Due date:	
Assignee:	mtpl	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	Unplanned		

Description

If a user wants to inject a location for example, the "add dropdowns" option should be enabled by default in the model definition
