

Generic Object - Bug #5036

Massiveaction=false doesn't work !

08/06/2014 11:40 AM - blerohellec

Status:	New	Start date:	08/06/2014
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
<p>Line \$GO_FIELDS['locations_id_garages_id']['massiveaction'] = 'false'; was added to the definition of a dropdown (in this case, a dropdown based on list of locations).</p> <p>Without any change, for Massive action continues to be available for this field.</p>
