### ticket SearchOptions : conflict between solve\_date and due\_date

01/07/2015 05:27 PM - orthagh

#### Description

Both of these searchoptions uses the num : 151

See :

- commonitilobject.class.php:2595
- commonitilobject.class.php:2690

So, solve\_date item is not available on search / display preferences.

I suppose we must alter the id of one of these but i can't imagine real impact on displaypreference.

Can we simply change the id ?
