Target version:			

Description

Version 4.0.0 & 4.1.0

On a map, click-right to see emerging menu

- General > Title > Sous-titre : Sous-titre is always in French, whatever the glpi language is (english, spanish...)
- Simple search : a pop-up opens : Valeur, 'le regex est accepté', Type, 'Champ cherché', 'Valeur trouvée' always in french

History

#1 - 06/08/2015 04:30 PM - blerohellec

And also :

- Menu (title of the emerging menu)
- General > Color > Background > Type : Type is not translated
- on a specific object : informations about xxx > opens a popup title 'Informations - xxxx'. Informations is not translated
