

customfields - Bug #5420

Display of custom fields in list of objects

07/16/2015 07:00 PM - blerohellec

Status:	New	Start date:	07/16/2015
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			

Description

v1.7 for GLPI 0.85

A custom field typed Yes/No will be displayed in the view of its objet as O/1 !

A CF typed Date, when displayed in the view of its object, does not take into account the parameter 'Date format' (Setup > General > tab 'Default value') !
